FLY BUY SUMMER

Shop & Win Contest at Pune International Airport

Organised by Refex Airports Retail Private Limited, having its Registered Office at Second Floor, Refex Towers, Sterling Road Signal, 313, Valluvar Kottam High Road, Nungambakkam, Chennai – 600034, Tamil Nadu, **the Master Concessionaire, Pune Airport**.

Contest Period: May 19, 2025 – June 30, 2025 ("Contest Period")

The "**Fly Buy Summer**" contest ("**Contest**") is a promotional initiative organised by **Refex Airports Retail Private Limited**, the Master Concessionaire managing the retail programme at Pune Airport ("**Organiser**"), with the objective of rewarding passengers who shop at select airport retail outlets during the Contest Period, subject to the terms and conditions contained hereunder.

Participation in this Contest shall constitute an unconditional acceptance of the following terms and conditions **("T&C")**. These T&C are subject to revisions and any revised version shall be binding on the Participants upon publication.

1. Participation in the Contest is open only to Indian citizens aged eighteen (18) years and above, possessing a valid government-issued ID and undertaking travel via Pune Airport during the Contest Period (**"Eligible Persons"**). The Contest is not open to foreign nationals, Non-Resident Indians (NRIs), Overseas Citizens of India (OCIs), Persons of Indian Origin (PIOs), and/or to employees, agents, or contractors of the Organiser (**"Ineligible Persons"**), including their immediate family members[1]. The Organiser reserves the right to request documentary proof of eligibility and to reject entries that do not meet the above criteria.
2. To participate, Eligible Persons must primarily make a qualifying purchase at any participating outlet (as detailed in Annexure I to this T&C document) within the Pune Airport retail zone. Each participating outlet has a minimum purchase threshold (inclusive of taxes), which must be met in a single invoice to qualify for the Contest. **Annexure I** attached hereunder, contains the list of participating retail outlets and their respective minimum purchase threshold. Upon making such a qualifying purchase, the participant (**"Participant"**) shall be provided with a coupon containing a QR code. The QR code links to an official online form which must be completed by the Participant with accurate details, including full name, mobile number, email address, postal address, the name of the retail outlet, total invoice value, a clear photograph of the original invoice, and a clear photograph of the boarding pass. By filling the said online form with the required details, the Participant shall be deemed to have provided his/her explicit, and unqualified consent to not only participate in the Contest but to also, provide his/her personally identifiable information to the Organiser. Only entries submitted through this official online form shall be considered by the Organiser for the purpose of the Contest. Each qualifying invoice is eligible only for a single entry to the Contest by the Participant. Any entry containing duplicate, forged, or manipulated data, including altered invoices, will be deemed invalid and shall result in immediate disqualification and penal consequences thereof.
3. To ensure equitable treatment of Participant(s) across retail outlets with varying minimum purchase thresholds, the number of lucky draw entries allocated to each eligible Participant shall be determined proportionately based on the minimum qualifying purchase threshold of the applicable outlet where the purchase was made, and the actual purchase value, provided it meets or exceeds the applicable outlet's minimum threshold. Each participating retail outlet has a defined minimum transaction amount that qualifies a consumer to participate in the campaign. For the

[1] Immediate family members shall mean and include parents, siblings, spouse and children of the Eligible/Ineligible Persons

purpose of calculating the number of entries allotted to a Participant, the Organiser shall adopt a proportional entry mechanism benchmarked to the lowest minimum qualifying threshold fixed for any participating retail outlet in this Contest. Accordingly, a Participant making a qualifying purchase at a retail outlet with higher minimum purchase threshold requirement shall receive multiple entries in the lucky draw, in proportion to the Participant's purchase value in that outlet relative to the baseline threshold. For illustration purpose, if the lowest minimum purchase threshold among all participating retail outlets is INR 600, and the minimum purchase threshold in outlet X is INR 22,000, then a Participant who becomes eligible through a qualifying spend of INR 28,000 at outlet X shall receive Forty-six (46) entries (i.e., INR 28,000 divided by INR 600 = 46.66, rounded off to lowest whole number), whereas a Participant making a qualifying spend of INR 1,400 at outlet Y whose minimum purchase threshold is INR 800 will receive only two (2) entries (i.e., INR 1,400 divided by INR 600 = 2.33, rounded off to lowest whole number). Participants shall receive entries based solely on the purchase value equal to or above the minimum qualifying purchase threshold of the outlet at which they become eligible. Each such entry will correspond to a unique chit bearing the Participant's unique entry ID, and the total number of chits representing each Participant's allocation will be included in the weekly and/or bumper draw accordingly. This proportional allocation method is intended to reasonably reflect the relative contribution of each Participant to the campaign, and the Organiser's decision in respect of such allocation shall be final and binding.

4. The weekly lucky draws will be conducted within ten business days after end of each week. The bumper lucky draw will be conducted within ten business days following the conclusion of the sixth week. Eligible entries will be considered for both weekly and bumper lucky draws conducted by the Organiser through a manual chit-based process. Each valid entry submitted via the official campaign online form will automatically generate a unique entry ID. At the end of each week during the Contest Period, these entry IDs will be printed on individual chits and placed into a sealed draw box maintained by the Organiser. The number of chits drawn shall correspond to the number of prizes allocated for that week. Chits will be drawn manually by a member of the Organiser's appointed team. Each drawn chit will be verified against the campaign database to ensure eligibility. In the event a drawn chit is found to be invalid or the Participant is unreachable (within seven business days of lucky draw provided contact has been established), the Organiser may draw reserve chits following the same procedure. At the conclusion of the Contest Period, the Organiser shall conduct the bumper prize draw, which will follow the same manual chit-based process. One winning chit shall be drawn from the pool of all valid entries received across the Contest Period, excluding those entries that have already won a weekly prize, which shall be removed prior to the draw. The winner of the bumper prize shall be awarded an 8-gram gold. coin. The eligible winners shall be notified within ten business days of the draw, via the contact information provided in their entry form submissions. The Organiser shall not be held liable in any manner whatsoever for inability to reach a winner due to incorrect or outdated contact details. Entries of winners of Weekly Prizes will automatically be removed from the lucky draw of Bumper Prize.
5. Winners will be required to provide self-attested copies of valid government-issued proof of identity and proof of address documents over email or post. for verification by the Organiser. Winners may be required to produce other proof documents for verification at the Organiser's discretion. Upon satisfactory verification, the winner may be required to execute an acceptance and release form before the prize is awarded. Failure to comply with these requirements within ten (10) days of notification shall result in forfeiture of the prize, in which case the Organiser reserves the right to select an alternate winner.
6. All prizes are subject to applicable taxes and legal deductions. In particular, any prize value exceeding INR 10,000 shall attract Tax Deducted at Source (TDS) in accordance with Section 194B of the Income Tax Act, 1961, currently at the rate of 30%. The winner shall cooperate with the Organiser or any other person nominated by it, in relation to the procedural aspects for claiming the prizes, if any.
